## **WE ARE ON A MISSION:**

*Inspired by the Holy Spirit, Women Rooted in Faith, The Women's Ministry of St. Cecilia's, seeks to glorify God by serving to provide all the women of our parish, in every state of womanhood, the opportunity to learn, share and grow together in our spiritual journeys; by deepening our relationship with God, His teachings, the Catholic Church and by providing opportunities to display the Love of God, together we will serve Him, each other and our community.*
